Dr. Shiloh's Cough and Consumption Cure

This is beyond question the
most successful Cough Medicine
ever known to science; a
few doses invariably cure the
worst cases of Cough, Croup
and Bronchitis, while its won-
derful success in the cure of
Consumption is without a par-
allel in the history of medicine.
Since its first discovery it has
been sold on a guarantee, a
test which no other medicine
can stand. If you have a
Cough, we earnestly ask you
to try it. In United States and
Canada 25c, 50c, and \$1.00, and
in England 1s, 2s, 3s, 6d, and

OUR MOTTO

No Question is ever Settled Until it is
Settled Right.

The indications are that five or six
presidential tickets will be in the field
this year. Yet the real battle will be
waged between the armies led by Mc-
Kinley and Bryan and on the issues of
money, trusts and imperialism. Those
who favor overriding the constitution,
making the rich richer and the poor
poorer, adopting a colonial policy, and
tearing away the foundations of a free
government, will vote for McKinley.
Those who believe that the declaration
of independence and the constitution
are documents indispensable to the per-
petuation of our republic, that no man
is good enough to govern another with-
out the other's consent, and in financial,
commercial and industrial freedom, will
vote for Bryan. And a few, who have
really excellent ideas on important
questions, will refuse to see the para-
mount issues, and will foolishly waste
their votes championing questions
which have not attained the dignity of
real issues.—Press Letter.

"It is time that true men should

evil with all their might. I know peo-
ple don't like to hear this subject talked
about, but it is time to cry aloud and
spare not."

"What good does it do a man to get
a college education if at the same time
he gets the drink habit? What good is
the education in his head if he goes out
with the grip of the liquor demon on
his throat? None of you young men
expect to fill drunkards' graves, no man
ever expected to; but look at the col-
lege men all over the country who are
drunkards. 'Whatsoever a man soweth,
that shall he also reap.' If you want
to be safe, then you must have
nothing to do with this curse."—

The Best Remedy For Rheumatism

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain
Balm for rheumatism are delighted
with the quick relief from pain which
it affords. When speaking of this Mr.
D. N. Sinks, of Troy, Ohio, says: "Some
time ago I had a severe attack of rheu-
matism in my arm and shoulder. I
tried numerous remedies but got no re-
lief until I was recommended by
Messrs. Geo. F. Parsons & Co., drug-
gists of this place, to try Chamberlain's
Pain Balm. They recommended it so
highly that I bought a bottle. I was
soon relieved of all pain. I have since
recommended this liniment to many
of my friends, who agree with me that
it is the best remedy for muscular rheu-
matism in the market." For sale by
Quigley & Chapman, druggists. 2

Worse than War.

Hundreds are killed in war, but hun-
dreds of thousands are killed by con-
sumption. There would be no deaths
at all caused by this terrible disease, if
people could be made to understand
that Shiloh's Cough and Consumption
Cure is a sure remedy if taken in the
early stages. 25 cts., 50 cts. and \$1.00
a bottle. Druggists will refund the
money if a cure is not affected. s

Before the County Commissioners of

In the matter of the application of
George N. Hershey and John G. Stetter
for license to sell malt, spirituous and

Is This Plain Enough?

If you have a nagging cough and are
losing flesh, go to a drug store and get
a bottle of Shiloh's Consumption Cure.
Take two-thirds of it, and then, if you
are not benefited, return the bottle to
the druggist and he will return your
money. Isn't that fair? No one could
ask more. 25 cts., 50 cts. and \$1.00 a
bottle.
